# The Forty-Niners Today and Yesterday

DISCOVER THEIR

## POT O' GOLD

Thomas A. DeVilbiss High School  
Toledo, Ohio

WE SEARCH FOR THE TREASURE

## KNOWLEDGE, SKILL AND FRIENDSHIP

We forty-niners of DeVilbiss are fortunate in having an example to live up to—the perseverance of those forty-niners of a century ago. They searched for gold and we too are looking for something precious—the wealth of knowledge, skill, and friendship which is here for us in the lode that is DeVilbiss.

To find a phantom, a dream, a treasure—for this fought the first forty-niners their way across a new America, an America ripe with riches to be plucked by strong hands. Today we work for golden trophies in sports, for gold for scholarships and we enjoy the golden opportunities of participating in the DeViltries, auditorium programs, plays, and club activities.

Listen to the voices in your halls, DeVilbiss. They are carefree and jubilant, intense and serious, soft and low. These voices belong to your people who are looking for something—a phantom, a dream, a treasure. So sounded young voices a century ago on a California morning. Look at that ray of sun, shaped by the panes in the hall window. See how it shines on the blond youth who studies, head bent low. The same sun shone on another boy who bent over a stream which contained—perhaps gold?

See DeVilbiss, see and hear and taste and feel the power of it all—the strength of your youth—the asking, the searching. Take your heritage of courage and hardiness and find the riches that are here.

Turn these pages, DeVilbiss, and remember golden days; keep this, the record of the treasure of your youth.

## IN THE LODGE THAT IS DEVILBISS

## THE SEVENTEENTH LINK IN OUR GOLDEN CHAIN

**L**eaders in the adventure are our **faculty** who

**I**nspire all **classes** to study and to work in the

**N**umerous, active **organizations**. They encourage

**K**eenness in **athletics**. Thus these sides of

**S**chool life present the complete **picture**.

SEVENTEENTH EDITION

**Principal Merritt C. Nauts, Director of Activities Robert Rettig, Faculty President Dave MacMurray—these three form the nucleus of the school administration which leads us in our golden quest to seek a wealth of knowledge.**

## MR. NAUTS

Year by year DeVilbiss grows and acquires more gold in its vaults of progress and experience. The head watchman over this gold is our principal, Mr. Merritt C. Nauts. It is he who guards and retains this priceless horde of gleaming treasure. Each student of DeVilbiss draws continually his interest from our principal—our watchman. As the fond dreams of this watchman materialize, so also do the inspirations and successes of each person who has contributed to and drawn from this supply of gold. DeVilbiss very definitely has many many examples of true success derived from the careful watch which Mr. Nauts maintains. Let us all try to be like this model of achievement—Mr. Nauts—who is always ready to show us the results of his visionary planning and idealistic striving.

## THE DEANS

The many intricacies of a shining gold emblem cannot be moulded well without the combined efforts of many goldsmiths—principals, deans, and teachers. Mr. Russell Brown and Miss Mildred Pasch represent the second step—deans—in the creation of a better and more experienced emblem. To these two goldsmiths every Tad and Taddie owes a great amount of thanks for the many services performed. These services include arranging schedules, procuring employment, giving advice, and writing recommendations for many and varied purposes. There are times, however, when our deans must wield a heavy hammer at the forge—must straighten out the incongruities which circumstances impress upon the gold of each person's character. By means of these many kindly activities, our deans, Mr. Brown and Miss Pasch, lead us Tads and Taddies along a golden road of helpful living.

## COMMITTEES—ACTIVE CREWS

Some of the nuggets in our Pot O' Gold may be found here in our Student Council. Student Council members and the Student Commissioners, working with Harland Britz, our president, have succeeded in making our school government more efficient and smooth running.

The individual is reached through the home room representatives who are the most important part of our system. They make the laws according to the wishes of the people they represent.

All Student Council Committees work with the Commissioners' Committees. One of the most active of all committees is the BILL PREPARATORY COMMITTEE. This committee, on which all classes are represented, puts the laws that are proposed into finished form and presents them to the student body.

The WELCOMING COMMITTEE, a newcomer to the Student Council, makes new students feel at home. This committee operates under the guidance of the Social Commissioner with the purpose of greeting new students and getting them acquainted with the school and its activities.

Our faculty adviser, Mr. Robert Rettig, has been very liberal in letting the students express their own views.

MR. ROBERT E. RETTIG

## STUDENT COUNCIL—MINORS' GOVERNMENT

The thirteen commissioners form a kind of executive board for the Student Council and most of the commissioners have committees to help them in their jobs.

Leading among these is the WELFARE COMMITTEE which steered the Magazine Drive and the class elections. We have many other committees which have worked as industriously. The STUDENT COURT is a major instrument in our student government for it hears and judges the cases of the students who have broken school laws. As the Vigilantes kept law and order in the days of the Gold Rush, so the SCHOOL SERVICE COMMISSION in charge of the Hall Patrol keeps our school in order. Club activities come under the ORGANIZATIONS COMMISSION and many improvements have been made in the working of the clubs. The SOCIAL COMMITTEE schedules all school social functions and sees that they don't conflict. The PUBLICATIONS DEPARTMENT, headed by the commissioners, gives us our own local color through the "POT O' GOLD" and "PRISM." The PUBLICITY COMMITTEE has charge of the bulletin boards and all posters and club announcements. The AWARDS COMMISSION'S big job comes toward the end of the year when they must select which seniors will receive awards for their achievements. FINANCE COMMITTEE not only sells the tickets to our assemblies and feature movies, but they also guarded the gold during the Magazine Drive. The ATHLETIC COMMISSION supervises the various phases of our athletics. Besides the regular activities of the year this committee sponsored two tournaments—an intramural basketball tournament and a table tennis tournament. The NATIONAL SERVICE COMMITTEE'S main job is the sale of savings stamps; however, they are the connecting link between the government and the school in other activities. The ASSEMBLIES COMMITTEE functions in the preparing of programs and the maintaining of order in the auditorium.

## THE FIFTY-TOOTERS

"Elevator pass? Sure, I got one. Just bought it from that 'stupid' senior over there who sold me his." And the little freshman went gaily on his way.

Who said this? Certainly not any member of the sharp-eyed Class of '52! They knew, long before they entered the delightful austerity that is DeVilbiss, that we have no elevator or elevator passes.

DeVilbiss shall benefit in the coming four years by the presence of these heralds—or tooters—of curricular and extra-curricular supremacy. Let's hope that scholarship, plus participation in school affairs outside the curriculum, grows steadfastly with these energetic young teen-agers.

This class of 1952 proved itself outstanding early in the year when it presented to the school one of the

most spectacular class elections the school has ever seen. All the other classmen remembering the elections of previous years, had to admit that here, among these Fifty-Tooters, existed a priceless treasure of vim.

The Fifty-Tooters social organization has sent its golden gleams into the life of many a lost Taddie meeting DeVilbiss for the first time. The profusion of the publicity for these Fifty-Tooters parties demonstrated to upperclassmen just what thorough-going publicity is.

The Fifty-Tooters, efficiently and ably assisted by Miss Mildred Schmidt and Mr. Dave MacMurray, deserve every bit of tribute which can be commended to them.

## TOTS TREK TRAIL TOWARD TREASURE

"DeVilbiss High School, here we come" was sung by the freshmen as they entered the school which would become their gold mine of knowledge and fun for the next four years. Their treasure hunt began in October with the first "Fifty-Tooters" party. This affair followed the same pattern set by the "Forty-Niners" in 1945, with dancing, ping-pong, cards, and checkers as the main attractions. The class enjoyed six of these parties under the leadership of Miss Mildred Schmidt and Mr. David MacMurray. For each party they had the theme of the season in mind. In October it was a Halloween party; in December, a Christmas dance; and in February, a Valentine's Day celebration. For

the November party, however, they had the most unique idea. In place of the usual Thanksgiving party, they characterized Al Capp's famous "schmoos" from the comic strip "Li'l Abner." This idea was brought out partly by pictures of "schmoos" strung across the dance floor and also by a quartet of girls, dressed as those versatile little animals, who sang a "schmoo" song. These were a few of the precious moments of the year enjoyed by the under-classmen.

In three more years the seniors of 1952 will look back upon these parties which started them on their four-year trek toward the gleaming treasure which will one day be theirs.

## THE FIFTY-ONEDERS

The second lap of a momentous experience completed! This phrase should be breathed by every "Fifty-Oneder" as he bursts forth from school next June 10. And why shouldn't this be said? It certainly belongs. 1849 probably saw thousands of pioneers breathe a sigh of relief—of satisfaction, as they completed the second hurdle in a race for gold. Aren't the Fifty-Oneders pioneers in a race for something just as precious as gold? Everyone is; therefore, let the undaunted spirit of these active Fifty-Oneders grow into heights of golden glory.

Every effort of the Fifty-Oneders is an example of well-planned and powerfully driven action comparable to that of a long trail of gold-seekers in that

romantic era of a century ago. The results of such concerted efforts are truly amazing, and shine brilliantly as the half-way mark in the trek across fields of success.

Mr. Dave MacMurray and Mrs. Blanche Luther attracting the alert eyes of these pioneers, were selected as the leading guides for the trail. These two faculty members of DeVilbiss accepted the invitations to accompany this ambitious class, and have acted as advisers for the years 1947-48 and 1948-49.

With a glance at the past and a fixed concentration upon the future, these wonders of achievement complete their sophomore year and enter their third lap.

## THE NIFTY - FIFTIES

No truly great moment in life comes without a prelude. Perhaps the Nifty-Fifty pioneers cannot realize the greatness of their junior year as a prelude to success. However, in years hence, they will look back upon their experiences at DeVilbiss in 1948-49 as really significant.

Doubtless each Nifty-Fifty prospector has found that, with throwing off the yoke of being "sophomore," comes the beginning of mature citizenship in DeVilbiss. Each member has produced a record glowing with success and golden achievement. Each Nifty-Fifty has continually sought his Pot O' Gold at the end of a long journey through the wilderness.

The members of this junior class banded together in a social organization called the "Nifty Fifties." Miss

Mildred Schmidt served faithfully as an adviser of this club during the first year of its existence.

But the "Nifty Fifties" could not remain merely a club, for it consisted of far-seeing leaders and willing followers. During the first half of the journey Mrs. Anne Sutter served as class adviser to promote growth and guided accomplishment. Then Miss Rose Bloom stepped to the fore and assisted by Mr. Russell Brown urged on more progress.

With the greatest yet to come, and a most excelling past behind them, the Class of 1950 need never fear the pitfalls in the conquest for gold—gold in the form of knowledge, achievement, recognition, and success.

So, until next year—the best yet—the best of wishes to the Nifty-Fifties.

## JUNIORS "SPRING" GOLDEN DRAMATIC SURPRISE

Spring came early to DeVilbiss this year in the form of "Spring Green," presented the night of February 3rd. The cast, which was chosen by the try-out committee under Sally Ames and Judy Moore, included Dick Kelly as T. Newton Todd, Pat Smith as Eula Hotchkiss, and Phyllis Rupp as Tony Cassell.

The story transpires in a typical small town during the war. T. Newton Todd and his father, who is an army officer, have a room in the house of Mrs. Cassell and her daughter Tony. Newton's hobby, which is raising earthworms, is frowned upon by all and causes a lot of trouble with his friends and family. He has a crush on Eula Hotchkiss, and is torn between his love for the earthworms and his affection for her.

The time Newton spends raising and keeping his worms proves worthwhile, for the young Mr. Todd makes a discovery of great importance to farmers.

The comedy was directed by Mr. Sam Emery, a veteran director of DeVilbiss plays, aided by Clark Holt, Student Director. The General Chairmen, Norman Roulet and Corinne Kriege, co-ordinated all of the activities of the various groups concerned with the production. Other committee chairmen were: Reading, Bob Monroe; Scenery, Anita Etters and Ron Penkoff; Costumes, Pat Calef and Barbara Drake; Properties, Marilyn Wilcox and Max Pirner; Make-up, Anne Gordon and Jeanne Jacquet.

## THE FORTY-NINERS

When an awed and confused horde of freshmen entered DeVilbiss in September, 1945, probably not one of them could think of June, 1949 as being in the near future. But just as the thousands of determined forty-niners of a century ago, we have pressed our way onward through the years '46, '47, '48, and at last opened the golden door of 1949—and graduation. Indeed, we seniors of 1949 must have traversed in our high school journey a path similar to that of the pioneers who emblazoned their name and symbol—1849—across the golden arch of history.

Conscious of our symbolic heritage, we (all four-hundred thirty-three of us) began our journey by banding together and forming the "Forty Niners" social organization. We have set the example of a

true pioneer by doing this, for our successors have each had a social organization modeled after ours.

Now, in the full accomplishment of the years, we have reached a point in our lives which is both an opening and a closing. June, 1949—graduation—means the closing of our high school careers, so richly enhanced by many golden memories. The events of these years will remain impregnated upon our minds throughout the course of our life.

To the faculty of DeVilbiss High School, and in particular to our advisers—the late Mrs. Carrie Whaley, Mr. Norman Pollman and Miss Ursula Schmit—we extend a note of thank you and good-morrow, but not good-bye.

## IN THE DAYS OF '49.

OH, MY HEART IS FILLED WITH DAYS OF YORE  
AND OFT' I DO REPINE

FOR THE DAYS OF OLD, THE DAYS OF GOLD  
AND THE DAYS OF '49.

from "The Days of '49"  
Author Unknown

The big guns in the Senior Class of 1949 thought that no leap year (1948, we mean) would be complete without some event to make the boys and girls of DeVilbiss High remember the golden hours of the first lap of their senior year. Especially honored at the event which was the offspring of these ideas were the "sweater-boys" of DHS. Gaze fondly to the right if you wish to see several of DeVilbiss' minors enjoying themselves at the Varsi-D Drag.

Through our work in the numerous organizations we are able to develop our personalities and make golden friendships. At the same time we find opportunities to perform valuable services to the school.

## COUNCIL COORDINATES CAMPUS ACTIVITIES

One of the most important bodies in our student government is the Inter-Club Council which is made up of a representative from every chartered club. To propose legislation concerning organizations; to better the general welfare of the school; to be the liaison between the Student Council and the chartered clubs—are the definite duties of the council.

Diane Pawlowicz, who was chosen President, has had the job of carrying on all of the business at the meetings and, together with her committees, has planned all of the events sponsored by the council. Mary Jane Watkins, the Vice-President, has been on hand to take charge of the meetings when Diane could not be present. A record of the minutes and attendance of every meeting has been kept by Barbara Price, the Secretary. Bob Webb, the Commissioner of Organizations, is the council's student adviser. The

council is fortunate to have Mr. Rettig as its faculty adviser to help carry out its duties.

This year the Inter-Club Council has worked to further the club's activities in the school. At Thanksgiving, the council sponsored the election of the queen and the peppy mass meeting before the game. At Christmas the different clubs participated in decorating various parts of the school in an effort to make the building more cheerful during the holiday season. The tradition of the Little Brown Jug for the prize winning Christmas display was carried on this year with the Science Club winning the contest. Of course, the members are all looking forward to the annual Inter-Club Council Pot Luck Supper.

The members of this organization think that by the end of the year they will have had a very successful year, here in the Inter-Club Council.

## A CAPPELLA LENDS HARMONY TO ACTIVITIES

Another Year, more fun, laughter and hard work has elapsed in Room M-15.

Our organization was enlarged this year and is now made up of approximately fifty voices. Among the spark-plugs we might mention our pianist, Ki Punches, and also our "Jack of all trades," Deane Osborne, both of whom added a bit of humor when the going got tough.

This year we have done our bit in upholding our fine tradition at DeVilbiss by participating in several big musical events in Toledo. December 3, at Macomber Vocational High School, we joined with students from many other schools in presenting a program for the Ohio Music Educators' Association's annual meeting. Later in December, we combined our talents with the various high school choruses in the annual Christmas program at the Art Museum. At this time we presented for the first time before an American

audience, a number discovered in the 15th Century in a museum in Florence, Italy.

In February, the A Cappella again journeyed to the Museum Peristyle, this time to be a part of the annual High School Choral Festival. May 8 saw the Choir going to the Sports Arena to aid in celebrating the 100th Anniversary of the Toledo Public Schools. In March, the DeViltries were put on and the A Cappella once again performed.

Our officers for the year were: Deane Osborne, President; Jim Barkenquast, Vice-President; Betty Jane Reighard, Secretary; and Leu Ann Easterday, Treasurer. Acting as librarian was Carmen Lincoln and our publicity chairman was Barbara Munday.

So, until the Pot O' Gold again rolls off the presses, and we appear on its pages, keep this in mind: if you want to have fun while you learn to sing, the A Cappella Choir is the place for you.

# THE POT O' GOLD IS THE 49'ers CHRONICLE

The production of our DeVilbiss yearbook—the POT O' GOLD—is a process covering about a year's time. This process begins with a discussion about the coming book with our advisers. Such a discussion is usually held the day after final exams. Shortly after the beginning of summer vacation, the co-editors of the book put their heads together to think of a theme. After the theme has been decided upon, the co-editors in conjunction with the art editors determine ways of carrying out the theme in layout, copy, art and photography. By September, a dummy copy of the entire book is ready and in working order.

The actual work of securing the needed pictures, literary write-ups, art work, and even some new ideas is carried on during the school year. All is not work, however. Certain members of the staff are selected every year to attend the Columbia Scholastic Press Association Convention in New York City.

## PRISM REPORTS NEW FIELDS OF FORTUNE

It's easy to publish a school newspaper! Just take one part journalistic talent, one part sheer genius and one part insanity; mix thoroughly in Room 216, and splatter indiscriminately on glossy paper! Repeat a few sacred words, and there you have it: A Prism every other Tuesday.

On entering the Prism room, you see the first evidence of a newspaper office in Editor Norman Thal perched atop the desk of the literary adviser Miss Rose Bloom—waving a sandwich in one hand and sheaf of copy in the other and yelling something about that inevitable three o'clock deadline!

As Business Manager Jack Gallon bounds into the room proclaiming six more inches of ads, Associate Editors Harland Britz and Jane Curtis silently faint. Associate Editor John Lindemulder and Sports Editor Jim Marks disappear in the general direction of the cafeteria after some "meat for a story." Associate Editor Nancy Neidlinger trails behind, accompanied by News Editor, Marilyn Wilson.

Club Editor Pat Calef and Publicity Manager Alva Nordgren are telling of their experiences at the CSPA Convention in New York, which they attended with Publicizers Ann Smyser and Janet Jerrett and others. Feature Editor Darlene Lang, Society Editor Myrle Romanoff, and Publicizer Shirley Meeker, listen wistfully.

Assistant Business Manager Don Gerlach drops in to read Prismatics over Interviewer Larry Bershon's shoulder, and to report the latest financial news from Business Adviser Miss Elaine Hirth and Circulation Manager Molly Beck.

In the corner, Exchange Editor Ronald Harris is posting newspapers—and what's this? Girls' Sports Editor Marilyn Lewis is writing a story? Oh, yes we forgot! There's a three o'clock deadline.

Actually, though, the Prism doesn't come to you merely by chance—it is the result of two weeks of labor by two competent staffs (literary and business) and an eager journalism class.

## SHARPS AND FLATS STUDY MELODIES OF YOUTH

1948-49, the fifth year of the Sharps and Flats, brought more progress and growth to the Sharps and Flats Club than any previous year. Our membership has, during the last school year, increased from twenty-five to forty.

Musically the club enjoyed a fine season. We attended with regularity the children's concerts given by the Friends of Music. One of our members, Ki Punches, performed at the September concert; another, Norman Thal, at the February concert. We also enjoyed hearing the concerts given by the Toledo Choral Society—this year "The Messiah" by Handel and "Rhapsody of St. Bernard" by David Stanley Smith. One of our sophomore members, William Gill, is conducting the Toledo Young People's Symphony Orchestra. Some of our members are in the Music Department here at DeVilbiss—in band, orchestra, or chorus.

Last December the Sharps and Flats undertook

what proved to be a very successful task. With the loyal work of our Christmas Project Committee, headed by Jane Curtis, we decorated the small cafeteria.

The officers this year were: James Barkenquast, President; Ki Punches, Vice-President; Jane Curtis, Secretary; Tamra Johns, Treasurer; and Betty Moore, Inter-Club Council Representative. Harland Britz served as our Prism representative and Bruce Steinhauer acted as historian.

Miss Elaine Hirth and Mr. Russell Brown, our faculty advisers, and Mrs. Byron Holly, our parent adviser, guided these many activities to very successful endings.

We—the advisers, officers, and members—hope that the coming years of existence for the Sharps and Flats club will prove to be even more successful and meaningful than this year which itself has been one of great progress.

## SENIOR SERVICE SCOUTS HELP BRIGHTEN LIVES

Senior Service Troop 86, of the Girl Scouts of America, is a newcomer to DeVilbiss High School. Organized early in 1948 and chartered just before the end of the school year, we have just begun to function as a part of the school activities.

Under the guidance of our Faculty Adviser, Mrs. Margaret King, and with the endless help of three mothers we have tried to live up to our duties as a service troop, but we've put plenty of accent on having a good time. This year the fun has included two weekends at Camp Libbey, a Christmas party and a square dance, besides the regular monthly social meeting at the home of one of our members. With the other Senior Scouts in Toledo we had a splash party at the YMCA and put on a coke and chip party for all 7th and 8th grade Scouts.

Under the heading of Service we sent seven children's clothing kits through the American Friends Service Committee. After we received a very appreciative letter from a German family in Munich, we

sent them two Christmas Boxes, one of clothing and toys and one of food. During the evenings at camp and at some of our meetings we made clown bean bag dolls, which we distributed the day before Christmas to all hospitalized children in Toledo, the balance going to St. Anthony's Orphanage. The making of the dolls maybe should be classed as fun because tongues kept pace with fingers and sometimes just a bit ahead. We've sold candy to finance our service projects and we've kept enough out for our fun, too.

Our officers this year have been Sue Pirner, President; Janice Hedden, Vice-President; Edith Ward, Secretary; Eleanor Martin, Treasurer; and Shirley Wilson, Inter-Club Council Representative. Billie Spurgeon and Marilyn Lankenau have represented us on the Senior Planning Board, through which we participate in the activities of all senior troops in Toledo.

Although a new club, we feel that with our past activities, and the ones yet to come, we will soon be one of the top clubs here in DeVilbiss.

## SOPHS FORM STURDY CREW OF MINERS

The Sophomore Hi-Y has been having a very active and prosperous year.

The meetings at the Y.M.C.A. were led by Don Gerlach, President; the minutes were taken by Roger Markhus, Secretary; the dues were collected and the books were balanced by Tom Taylor, Treasurer. Our parent adviser was Mr. Warder and our faculty adviser was Mr. S. B. Emery.

Some of our important events have been the Lima Conference, our Open House at the Y.M.C.A., a Hi-Y Teen weekend at Camp Storer, a hayride-roast with the Y-Teens, and the Annual Hi-Y Basketball Tournament.

At our meetings we had fine entertainment such as well known speakers, ping-pong tournaments, and excellent discussion groups. We also had movies of recent DeVilbiss football games.

On one occasion during the Christmas holidays we made a tour through the downtown Blade Build-

ing. One Sunday during spring a group of boys including some of the other Hi-Y's of DeVilbiss went up on the bus to Camp Storer. We took our lunches and spent a day working around the camp trying to clean the grounds in order to carry out the service project of our club.

Our club boasts a membership of some thirty-five boys a few of whom are inactive because of their athletic interests in school. We initiated many boys into the club this year; some last fall, others at the beginning of January.

One day during the Community Chest Drive of 1949, a group of boys from the club were excused from school by "Doc" Miller to distribute Community Chest posters and leaflets to all downtown business concerns.

Nearing the end of the year we have made many new friends through fellowship in the club and we now have a large and profitable organization.

## CHESS PLAYERS PLAN STRATEGIC MOVES

The DeVilbiss Chess Club held its meetings every Friday afternoon in room 118. Our adviser was Mr. Voss, and our officers were Barry Nauts, President; Walter Milbourne, Secretary-Treasurer.

The Chess Club is noted not only for being one of the oldest organizations of this school, but also for having a short, snappy business meeting, after which we adjourn to play chess.

The club got off to a good start by having an open house meeting for all students who knew, or cared to learn how to play chess. Several members went to all of the freshman homerooms and gave talks about the club. At the end of the campaign we were rewarded with seven new members.

Another activity of the club was a tournament among the members. This contest determined the position of each member. The event took eight weeks and even then there were many battles for the top

five places. These five players composed the DeVilbiss Chess Team.

The chess team played teams of other high schools such as Scott, Rossford, Sylvania, Whitmer and Libbey. The meets were played in the various buildings and we won about 50% of the contests. Though there were only five players on the team, in several meets we had ten of our members playing with the opposition. We all enjoyed the courtesy of the different schools, and we hope to carry on this program next year.

We have made records of some of the important games of the year. These recordings enabled us to restage the game and discuss the different moves and to learn our mistakes. This proved to be very helpful since a good chess player never makes the same mistake. The records are available for the use of the students and may be borrowed for a short period of time.

## SEARCHING SCIENTISTS FIND PRECIOUS "AG"

Under the guidance of our President, June Phillips, the Science Club has proved itself to be among the most active clubs in DeVilbiss. Members interested in television were given a special treat when we visited the studio. One of the most interesting trips was one to Detroit where we were taken through the biological laboratories of the Parke Davis Company. During the year we also visited the Acme power plant and the Libbey-Owens-Ford Glass Company. For those interested in zoology Mrs. Virginia Francis demonstrated her great skill in the dissection of vertebrates. Another faculty member contributing to the Science Club's program was Mr. Archambo who gave an illustrated lecture on static electricity. Those interested in staining biological slides were assisted by Miss Fern Dickie.

Several of our members have been carrying on individual projects. Jim Keeler and Charliann Evers

worked with photomicrography and our President experimented with aniline dyes. Tom Rentz constructed an optical illusion employing the projection of images. Bob Monroe worked with plants and Ted Grover with organic compounds. Millicent Dederman studied the many treatments of infantile paralysis.

This year we won the "Little Brown Jug"—a reward given annually by the Inter-Club Council to the club having the most effective decorations at Christmas time. We especially thank Charliann Evers, Jim Keeler, Paul Geisert, and June Phillips for the many hours they spent on this project.

The weekly scientific displays in the front lobby were loaned to us by Mr. Benson and arranged by Bill Granger and Jim Keeler.

Our advisers are Miss Dickey and Mrs. Francis. Bill Steude was Treasurer; Norman Roulet, Secretary; and David O'Neill, Vice-President.

## SUB-DEBS SEEK THE WEALTH OF FRIENDSHIPS

This year the Sub-Debs have had many enjoyable times together. We owe our successful year to our well-conducted meetings. The following is a typical one: After Joyce Ehret, president, has finally quieted the girls with the help of Diane Pawlowicz, vice president, Nancy Emch, the chaplain, begins the meeting with a prayer. Then the secretary, Mary Riendeau; treasurer, Jean Schoeler; Prism Representative, Jane Bainbridge; and Inter-Club Council Representative, Joyce Lindberg, give their respective reports. Next we discuss our plans for our different activities. The members were notified of the meeting through the efforts of Phyllis Fausnaugh, Jean Kirby, Doris Holliger, Sally Lindsey, Dolores Kosuth, and Charlene Colton, who compose the telephone committee.

To start the year out with a bang we initiated the new Junior members. Although the Juniors left the meeting in a state of confusion, the Seniors thought

it quite an event and had fun planning and carrying it out under the direction of Marion Stone and Pat Goss. At Christmas time we showed our true holiday spirit by decorating the halls at DeVilbiss: with Beverly Lenfestey, Phyllis Selter, and Doris Holliger in charge and by caroling at Toledo Hospital which was arranged by Mary Riendeau. After the holidays, in order to increase our treasury, we held a rummage sale. Managed by Diane Brown, this sale turned out to be a very profitable enterprise. We were assigned Club Day as our part in DeVilbiss Week and worked hard to make it a success. Both Juniors and Seniors look forward to the annual Senior banquet (at which the Seniors are the guests) planned this year by Barbara Baker and Shirley Emery and to the Mothers' Tea arranged by Jane Bainbridge and Pat Goss.

Our year could not have been a success but for our advisers, Miss Lerche, our faculty representative, and Mrs. Calef and Mrs. Riendeau, our mother advisers.

## GOLDEN IDEALS ARE HELD BY CHRISTIAN YOUTH

"Study to show thyself approved unto God"—These words are the cornerstone of the Christian Youth Club. The foundation of this club is Bible study and Christian fellowship.

Just as the steel structure grows into the complete church, so do our minds grow in the beauty and knowledge of the Bible. The mighty rafters uphold the roof; Christ and His word uphold us in our everyday lives. The bricks are carefully placed, reminding us that if we want a sound structure in Christianity, we must be careful to cement the promises of the Bible in our minds and hearts.

The light which gleams through the stained glass of the church window gives mellower beauty. The light of the world shining from the Bible into our hearts, colors our thoughts with His thoughts.

While the organ is a mighty instrument, played for the glorification and honor of God, the humble

wavering violin is just as acceptable to Him. So as long as our wills are consecrated to God, it matters not whether we are strong or weak—rich or poor, we're equal in His sight.

The towering steeple stands for our undying faith in Christ.

"And are built upon the foundation of the apostles and prophets, Jesus Christ Himself being the chief corner stone; in whom all the building fitly framed together groweth unto a holy temple in the Lord; in whom ye also are builded together for an habitation of God through the spirit." Ephesians 11:20-22.

Our meetings are held in the homes of the members on every other Monday evening.

The officers are Carol Liechty, President; Harold Bradish, Vice-President; Shirley Hart, Secretary; and Ruth Ziemer, Treasurer. Our willing and helpful advisers are Miss Elaine Hirth and Mrs. Virginia Francis.

## SENIOR Y-TEENERS BLAZE THE TRAIL WEST

"Order, please," pleads Pat Shannon, President, as she tries with the help of Shirley Nettleton, Vice-President, to quiet the girls. Our adviser, Mrs. Mennig, finally manages to establish peace. The chaplains, Carolyn MacPhie and Norma Nordsiek, lead us in devotions. While Barbara Gibson is reading the minutes from our last meeting, Doris Holliger bemoans the fact that our money is rapidly disappearing.

The Senior Y-Teen Club really accomplishes many things of social benefit to our girls and of service to our school, community, and the world. To be of service to the school, we helped the Freshmen begin their Y-Teen activities this year. As our contribution to community service, we sent a Christmas Cheer basket to a deserving family in Monroe, Michigan. Donna Lintner was in charge of this undertaking and took great pains to see that our plans were well executed.

We participate with other clubs in the city through the Inter-Club Y-Teen Council and through the Hi-Y, Y-Teen Council at the Y.M.C.A. Through these organizations the clubs try to form a better world.

The most impressive meeting of the year was the Recognition Service in which all the girls participated and committed themselves to the Y.W.C.A. purpose. In February the club took an educational tour through Tiedtke's Department Store. Two very successful Hi-Y, Y-Teen meetings were held this year. The first was a discussion of current day problems followed by games and refreshments, and the second was a square dance at the Y.W.C.A. Early in the year we had a "Hobo Hike" after which we went to the Central vs. DeVilbiss Football Game. A final farewell picnic was held at the end of this year, our most eventful year in the Y-Teens.

## JUNIOR SORELLES SPONSOR SOCIAL LIFE

We started the year successfully by choosing our co-operative advisers, Miss Ruth Lukens, and Mrs. Vorys Smith.

Our first meeting was held in the home of Joan Campbell, where we became members of the Junior Sorelles group of 1948-1949. Our first job was that of electing officers for the coming year. Phyllis Rupp was chosen to lead the group as President and to ably assist her, we elected Nancy Garry, Vice-President. To jot down the minutes of our Tuesday evening meetings, we elected Lois Cohen as Secretary. Kay McLaughlin was chosen to take care of the financial end of the club. Mary Perry was elected to represent us at the Inter-Club Council meetings and Sandra Getz, as Chaplain, opens the meetings with the Lord's Prayer. Pat Smith, who is our sergeant-at-arms, tries to keep order throughout our business meetings.

Projects for the year included the Christmas party that we gave for the girls at the Crippled Children's Home. Joanne Ludwig, Mary Siegel, and Lois Cohen

provided entertainment. Barbara White was in charge of getting the refreshments. The members were as happy as the little girls while they sat and watched them open their gifts.

Barbara Link, Beverly Hughes, Marilyn Lewis and Nancy Brechenser acted as a committee to plan a project for raising money for future uses of the club. A bake sale was thought to be appropriate.

Jane Tanner acted as chairman for the slumber party held at the home of Nancy Willis. Her committee consisted of Marge Besse, Elaine Blodgett, Sally Hull, and Nancy Knuth. Naturally, everyone got twelve hours "shut-eye" after having a sufficient amount of food.

We, as Junior Sorelles, feel that we have had a very successful year together and sincerely hope that next year as Senior Sorelles we will have as many exciting projects, good times, and as many wonderful experiences in working with each other as we have had this year.

## ZEALOUS ZETS PROSPECT FOR TREASURE

"Do you believe in mottos," asked the President, Judy Price as she reached for more meat loaf at one of the monthly penny suppers. "We definitely do," said our advisers, Miss Warner and Miss Schueren.

"Well, girls, you know our motto is 'Nihil sine labore' which means, 'nothing without work,' " said Judy. By this time our secretary, Lois Nutting, was busily taking down the minutes. "This year we have had opportunities to live up to our motto. Each month we have studied a new literary topic. The members chose a subject from a list and a small group of them conducted the literary portion of a meeting. Some of our more popular subjects were: Bible stories, humorous poetry, stories from Shakespeare and Greek Mythology, and recitations by the upper-classmen," continued Judy.

"And remember in February we had a Mothers' and Daughters' Tea, with chairmen Ann Gorden and Anita Etters," added Lois.

Just then Nancy Benway brought in some plates

of hot food. "Oh boy, more food!" cried our happy and eager members, as they returned for their third helpings. (The pennies were collected and counted by our capable treasurer and Inter-Club Council Representative, Irma Walters.)

"Now, girls," warned Vice-President La Verne Neyens, "remember the primary purposes of the society are to promote the literary interests of its members and teach good fellowship, co-operation, and consideration of others."

Beverly Sandusky, our Chaplain, brought our typical business meeting to a close with the Zet prayer and song.

As we pushed and shoved our way to the door Judy warned the secretary-treasurer, Ruth Ramsey, to be sure and put our plans into the Pot O' Gold.

"I will, Madame President, and should I tell them that the money collected at this penny supper paid for this page in the year book?"

Well, it did!

## ROMANS ROAM THE WILD WEST

We are one of DeVilbiss' fairly new clubs which is making rapid progress. Through the able leadership of our officers—Sue Stapleton, praetor; Marianne Mosbacher, pro-praetor; Janet Bell, scriba; and Sue Straight, quaestor—and with the assistance of all the club members we have proceeded far since the birth of the idea of forming a Latin Club was originated by the second year students.

Our club meetings deal with Latin culture presented in such a way as to be most interesting. This is usually done through plays using simple Latin, which are produced under the capable direction of our program chairman, Clark Holt. Everyone has the opportunity to act in these skits. We all like to participate and those who act have just as much fun as the audience. The most outstanding play presented was the very first "Rubra Caculla" or "Little Red Riding Hood." Clark Holt portrayed the very terrifying wolf, while Alice Heyman was the frightened and deceived "Little Red Riding Hood."

While Sue, our president, is demanding order, Janet, our scribe, is preparing to read the minutes of the last meeting. Sue Straight is likewise harassed, trying to force the dues from our members, while Marianne sits back with a satisfied smile. Despite this bedlam, we have gone far in furthering our knowledge and interest in Latin.

Our most important undertaking was our first Roman banquet held last May. We all had so much fun, that we decided to make it an annual event. Before our typical Roman dinner, a variety show was presented by the old members to entertain the new students who hoped to join. The plot was kept in secret, even from our very competent advisers, Mr. S. B. Emery and Mr. David Voss. No one was more surprised than they when they saw themselves being impersonated on the stage. They enjoyed it more than anyone else as we knew they would.

All the credit for the huge success of the banquet should be given to our last year's officers.

## THALIANS STUDY THE SHINING THEATER

We started out our second year in good style. With Miss Mildred Johnston as our faculty adviser and Mrs. Steinberg as our parent adviser, we had excellent leadership.

Throughout the year, Thaliens studied plays by reports given by different members on plays they had taken part in, or plays they had read. In the early spring of this year Thaliens put on a modern one-act play for the entire school.

Towering above us with her whip, Barbara Burns, our Sergeant-at-Arms demanded quiet from the girls so that Jeanne Read, the President, could start the meeting. Pushing her pen along at a furious pace, Secretary, Ethel Eriksen, tried to scribble down what was happening, while Marilyn Ross, our Treasurer, pleaded on bended knee for the case of one depleted treasury. With some reward for her efforts, she retired, exhausted. Next Joyce Lindberg, Vice-President and

program chairman, took the floor by announcing the committees for the next few meetings.

Diane Pawlowicz, our Inter-Club Council representative, stepped into the limelight with her summary of the laws regarding school clubs, plus a flashback of all Thalian activities for the benefit of the new members.

This account included the Christmas party at Jeanne Read's home, which was a combination Christmas party and tea with the exchanging of gifts; the traditional tea for our mothers in the spring; and finally ended with a slumber party given by the juniors for the graduating seniors.

This is what you see the first Monday of the month or the third Tuesday afternoon in the room of Miss Johnston, our adviser. Emerging from these meetings are girls who have acquired a deeper sense of loyalty and interest toward their organization and school.

## PERIES PURSUE LITERARY PASTIMES

"Will this meeting PLEASE come to order!" Yes, our President, Nancy Santchi, was trying to bring the room to order, with the assistance of Jeanne Evans, Sergeant-at-arms. After most of the noise had subsided, the Chaplain, Jean Ann Schoeler, led the girls in the Lord's Prayer. Immediately Suzanne Grossenbacher gave her secretary's report and announced that she had mailed the invitations to the Mothers' Tea. Next Shirley Meeker stated that our treasury was growing rapidly. Vice-President, Jane Turner, decided that it was time to begin the literary part of the meeting, and some of the girls gave current book reviews.

Seriously, we accomplish a great deal at our meetings. The members try to gain a better understanding of modern literature by studying the lives and books of contemporary authors. To supplement this knowledge we attended several of the plays which came to Toledo, after first having made a study

of the books from which they were taken.

DeVilbiss Week is the annual celebration sponsored by the Peries, and it has become a tradition at DeVilbiss. Every day is set aside in recognition of a different group. We begin far in advance, racking our brains for new and clever methods of electing a queen, and of ways to make this week a success.

We were very careful when we chose the new junior members for we wanted them to uphold the high standard and tradition which has so long been part of the "Peries."

During the year the Peries have many social activities. These include the Alumni Tea, the Mothers' Tea, dances, and the Annual Senior Banquet.

We owe thanks to our adviser, Miss Elizabeth Johnson, who has helped to make this year's Periclean Society one of the best.

## CASTELLANA CAPTURES SPANISH FRONTIERS

When Mrs. Mills got the idea of forming a club to aid beginners in Spanish, Castellana was born. However, the name didn't come that easily; but because Castellana sounded so pretty, and because the "A" on the end could stand for the "A"-average requirement, we finally agreed that here was the name for us.

Selection of our officers took careful deliberation, but we managed to pick those who we believed would do their best to get Castellana going. Arthur Kunst, our President, was aided by Lorna Romanoff as Vice-President and Sheila Yerzy undertook the record-keeping job. The position of Treasurer was filled by Jane Cherry. Mrs. Zenas Combs is our faithful co-sponsor, even driving part of our club on our expeditions.

During our induction at Jean Barnby's house, we opened a package of posters from a friend in Madrid. Since we are new this year, we haven't many members, but the few of us had just as much fun as any larger club. Who could help laughing at Cantinflas,

the Mexican comedian, in a movie filmed in Mexico, with Spanish dialogue? Among the places we visited was the Mexican Church, Our Lady of Guadalupe, where we met Father Gorman; witnessed a Spanish comedy which he wrote; and heard his sermon, Mrs. Mills writing translations in English.

Because one of the purposes of Castellana is to know and understand the people and customs of Spanish-speaking countries, we attended a Hallowe'en party put on by the Mexicans, sampling their home-cooked native foods.

We also entertained speakers at our regular meetings. Mr. Russell Brown told us about Toledo, Spain, as he remembered it. Once we were fortunate to have a social worker from Venezuela who related many interesting things about her country.

All in all, we had an exceptionally interesting year, visiting places of interest, and having many visitors at our meetings.

## SENIOR HI-Y ATTEMPTS TO BETTER CAMP LIFE

The DeVilbiss Senior Hi-Y Club holds as its objective the betterment of school life, community life, and social life. The revered **purpose** of all Hi-Y organizations is "to create, maintain and extend throughout the school and community, the high standards of Christian character."

Mr. Norman Pollman is faculty adviser of the senior club and meetings at the Toledo Central Y.M.C.A. are held under the supervision of Mr. Richard E. Williams. These advisers help to guide the club in its relations with the school, the Y.M.C.A., and National, State, and City Y-Clubs. Many of the Hi-Y activities are carried on in affiliation with the Senior Y-Teen Club of DeVilbiss.

This year the Senior Hi-Y Club attempted to achieve a better understanding of the three major religions: Catholicism, Protestantism and Judaism. Several of our meetings were devoted to lectures by men of these religions. The speakers for these programs were arranged by Harold Hiser, our Program Chairman.

The Hi-Y Clubs have long tried to set an example for other clubs in cooperating with, and supporting school activities. Regular Thursday meetings were canceled when found to be in conflict with dates of other school functions.

In trying to give a liberal education to every member, this club regularly sends members to the state conventions, and to the spring and fall weekends at Camp Storer.

Our officers for this year have been Bob Webb, President; Fredric Bailey, Vice-President; Jack Hildebrand, Secretary; Tom Rentz, Treasurer; Harold Hiser, Program Chairman; and Gene Boruh, Chaplain. When Bob Webb moved, the Vice-President, Fredric Bailey, became President and his vacated office was filled by Ed Vick.

The club's projects this year have been the "Buccaneers' Ball," which is the annual dance of the DeVilbiss Senior Hi-Y Club, and other endeavors to raise money for the World Youth Fund of the Y.M.C.A.

## ENGINEERS PLAN TREASURE EXCAVATIONS

As I walked toward my locker one Wednesday I remembered that the semi-monthly meeting of the Engineering Society of DeVilbiss High School, better known to the man on the street as the Engineers' Club, was to be held this afternoon in the usual place, room M-1. Being a very much interested member of said society I rushed to the meeting with great haste. As I walked in the door I was accosted by Jack (If-you-ain't-got-money-you're-no-friend of mine) Hildebrand, our Treasurer. I realized at once he was collecting money for the Pot O' Gold page and since I was saving my money to purchase a "Junior Physicist's Little Cyclotron Kit" I ducked his hands as he grabbed for my billfold and started across the room to a chair. I looked up just in time to see Ray Jackson, our efficient Secretary, holding down our hard-working Publicity Manager, Charles Johnson, as Brother Hildebrand went through the poor chap's pockets. The unlucky fellow screamed so loudly that our President, Fred (Hildebrand-got-all-his-money-so-he-

couldn't-buy-a-gavel) Siebert, had to beat his fist on the table for order.

Fred then began the meeting by saying that our next trip would be through the Libbey-Owens-Ford Glass Company where we would see the making of safety glass. The whole club seemed to like this idea because they remembered the real knowledge they obtained from their last trip through the City Water Works. Mr. Siebert then called on Byron Holly, the Inter-Club Council Representative, to give a thorough report on their last meeting. When halfway through his report Mr. Holly was interrupted by a shot. Evidently some poor soul had ventured too close to Hildebrand's gold piles for the gun held by our very apt Vice-President, Fredric Bailey, who was guarding the loot at the time, was still smoking. When the President saw the body he adjourned the meeting to the room of our worthy adviser, Mr. Merrill, for special council on curves and angles.

## DRAMATICS CLUB PORTRAYS THAT WESTERN SPIRIT

Under the capable leadership of our entertaining President, Gene Shipley, aided by our two advisers, S. B. Emery and Mrs. Knaggs, the newly organized Dramatics Club set out on an eventful year. At the first helter-skelter meeting Gene was elected President, vivacious Diane Pawlowicz was elected Vice-President; Ruth Ramsey our glib-talking Secretary was also elected; "Honest Abe" Bill Granger inveigled enough votes to be elected Treasurer. But Molly Beck walked off with the Inter-Club Council nomination.

At our first meeting a terrible clamor arose over the announcement by Gene.

"What shall we do in our club?" Everyone jumped to his feet and started yelling.

"Plays."

"Short Stories."

"Shakespeare," cooed Bill Granger in his well-modulated tone of contempt.

"Oh, for pity sakes, be quiet," screamed Barbara Tussing (better known as Madame Defarge.)

Meanwhile Gene was pounding furiously on the desk for order, completely ignoring the piercing glances shot at him by Mrs. Knaggs.

"Ask Clark Holt what he thinks," someone piped up. "He's the program chairman."

"What do you say, Clark?"

"Worms," said Clark musingly.

"Worms?!!" screeched Dick Kelly.

"Oh, he's been eating, dreaming, and seeing worms ever since the Junior Play," commented Grandpa Harris.

"I'm thirsty," choked Roi Davis, as he clutched his throat and dashed to the drinking fountain.

"Come on kids, let's decide on something."

"Okay, take a vote."

As the sun peeped over the windows of room 249 and the first hour class appeared, there were the Dramatics Club peacefully slumbering in their chairs while Judy Price laboriously worked to complete this write up.

Seriously though, we have an organization that is hard to beat. We have studied and learned many aids toward acting besides having a lot of fun. A large number of our members participated in the DeVilbiss DeViltres. If we were not singing, dancing or acting we were working very industriously on one of the numerous committees. Even a few of us were student directors. This is the first time in a great number of years that a Dramatics Club has been organized.

## JUNIOR Y-TEENERS LOOK FORWARD TO A GOLDEN FUTURE

On a Tuesday afternoon at 3:30, President Joan Gerber calls for attention, and another meeting of the Junior Y-Teens is under way. Trying to gain and keep the attention of twenty-five or thirty girls is not easy, for every young lady likes to talk and talk she does. But once quiet is achieved, our meetings go off without any difficulties whatsoever.

Last year we followed a set schedule which was based on Dale Carnegie's book, HOW TO WIN FRIENDS AND INFLUENCE PEOPLE. Once each month, one of our members reported on a chapter of the book, explaining it in her own words and giving us an idea of just what it was all about. An one time, we had the pleasure of hearing an account of Gloria Brown's trip through Mexico. Not only did she explain everything well, but she also showed us her souvenirs.

We were seldom idle; it seems as if we were forever planning one thing or another. Among our activities were a visit to the Libbey-Owens Glass Research Laboratory, a roast with our good friends—the Junior Hi-Y, and a few bowling parties at which we tried to prove to any spectators that we were as good as they were.

When it came to raising money for our treasury,

we came up with a successful bake sale, and an ice cream concession at the DeViltries, a job which we shared with the Senior Y-Teens. This money was used, among other ways, to aid a needy family at Christmas. The club members donated usable clothing and toys for the children plus cans of fruit and vegetables. The treasury provided the money for the main dishes.

Our able officers for last year besides our President, Joan Gerber, were Vice-President, Barbara Sinnig; Secretary, Marilon Dietsch; Treasurer, Barbara Drake; Chaplain, Pat Renshaw; DeVilbiss Inter-Club Council Representative, Sally Lindsey; for the Y Inter-Club Council, Phyllis Fausnaugh and Barbara Frautschi, and Hi-Y-Teen representative, Barbara Sinnig.

There was a meeting in February at which time we entertained the Senior Y-Teens. With Nancy Miller, Joan Gerber and Mrs. Renshaw in charge, a facsimile of the popular radio program "Ladies be Seated" was exhibited, to the delight of all. Nancy Miller acted as the master of ceremonies (depicted by Tom Moore on the air). Other members who took part in the show were Barbara Baker, Shirley Emery, Virginia Dowdney; Phyllis Fausnaugh, Barbara Drake, Marilyn Henzler, Janet Bell and Diane Brown.

## BAND ADDS GOLDEN MELODIES TO CAMP LIFE

As has been the custom for the past two years, the DeVilbiss High School Marching Band of seventy members and eight majorettes once again began the fall term with a two-hour practice-session each morning two weeks before the regular school opening.

Under the direction of Mr. J. Philip Zaugg, music instructor, assisted by Jack Demland, drum major, the band performed at the football games and made one out of town trip to Sandusky with the Football team. This proved to be quite an experience. They also played at Toledo University's third Glass Bowl Game, the Armistice Day Parade, and will conclude the year's activities in the Memorial Day Parade.

The Concert Band season which commences at the end of the football season is a well-balanced group of thirty-three woodwind, thirty-eight brass, and nine percussion instruments. There is an organization of active band parents known as the DeVilbiss Band Boosters with Mrs. George Booth as chairman. Through their efforts enough funds were raised by means of a drawing on a turkey at Thanksgiving time, a card party at the Ottawa Park Shelter House and several very successful skating parties at the Roller-

cade to enable us to enlarge our funds. The money which was obtained from these funds was used for the purchase of thirty-two music stands, spats and "poms" for the band, hats for the majorettes, and fur shako for the drum major. There will also be a pot luck party for the band members before the end of the school year.

On the social side the band elected Harmon Ingwersen, President, aided and abetted by Ronald Kaminsky, Vice-President; Joan Gerber undertook the secretarial job of keeping the records and the position of treasurer was filled by Mark Greenburg.

Pet personalities in the band this year include Paul (Monty) Montgomery and his singing "Tonette"; Tom Benson, who Mr. Rettig makes sing to the tune of a broom; Pat Renshaw blushing but musical; Barbara McLain and her singing saxophone; Duane Tovey, the child labor specialist; always absent Livingston; Andy Inhelder, the shaking usher; and "Gorgeous George" Ward.

The tentative schedule calls for a spring concert which will include works by several well-known composers.

## CHEVAUX RIDES ROUGH RANGES

Riding Horses! In order to ride a horse, it is necessary to have a few accessories—the most important being a horse. After being furnished with a horse, saddle, and a bridle, we are ready for the great event—our first ride.

When the left foot is securely inserted in the stirrup, the problem is to get the right foot in the stirrup on the other side of the horse, which cannot be accomplished until one is astride the animal.

After all of us are mounted we begin to walk the horse a bit. The second gait introduced to us is the trot; and we find ourselves out of the saddle more than we are in it. Our instructor, Miss Molly Malone, informs us that it is much easier to post than to take the bumps.

After learning to canter we are qualified to learn the graceful art of jumping. We have made a few changes: We are now carrying a crop, and our

stirrups have been shortened. There are a few things to remember now such as, keeping an arch in the back, hitting the horse with the crop as we enter the jump, looking straight ahead between the horse's ears, and leaning forward to rise out of the saddle as the horse takes off.

When we have been told these things, we head for our first jump. Upon awakening, we find that certain parts of the body, including the nose which we hit instead of the horse with the crop, are extremely sore. Our advisers, Mr. and Mrs. Pasquier, are rather disturbed over the incident, and help us hobble back to the stables.

The social activities of the club included a square dance and box social, a Horse Show, a Hay Ride and a Christmas party at the home of our Treasurer, Barbara Lindsay. Our other officers were: Beth Baldwin, President; June Brunthaver, Vice-President; and Carolyn Combs, Secretary.

## STRUGGLING TIGERS GAIN GOALS

DeVilbiss was the victim of several "bad breaks" during the '48 season. With a line averaging 185 pounds and with a good all-around backfield, the Tigers playing earnest football won four of ten games to finish fifth in the city standings. They were hard hit after the first game, for DeVilbiss in downing a powerful Elyria eleven suffered the loss of two key backfield men—Paul Russell and Red Kaiser. Sporting this injury-ridden backfield, resorting to switched positions and quick changes, the Tigers were swamped by the strong Waite Indians.

DeVilbiss, rallying, ran up 33 points to completely bleach the coats of the Woodward Polar Bears. In the

next game, the Tigers, then over-confident, were humbled by a scrappy Scott team.

DeVilbiss followed this game with three of the best exhibitions of the season. Touncing Akron Kenmore, they lost by only three points to Central the next week.

The big return game against Waite was played before a packed Waite stadium. It was an evening of superb football as the Tigers relentlessly battled the Indians, outplaying them, and trailing by only six points at the half. In the third quarter, Waite had scored fourteen quick points when a heavy fog descended over the stadium.

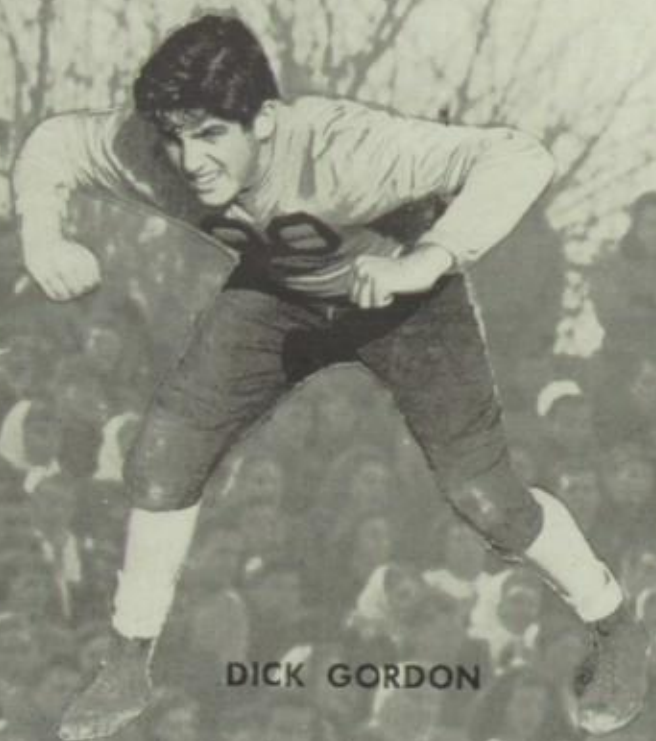

Larry Leake, Bert Warrick, Gary Miehl, Wes McDonough, Don Blair, and Red Kaiser run through tires in backfield practice.

## SKILLFUL SHOT-SETTERS SHOOT TO SECOND

The 1948-1949 Tiger Basketball team finished a thrilling season of well-played games. Bob Rettig's Tigers won thirteen contests and had five scattered losses. Three of these defeats were lost by three points or less, the two others being decisive. Our big rival, Central, captured first spot while we took an undisputed second place in the city league standings. The Tigers at the outset of the season were composed of several capable but green juniors who replaced last year's top team. Ironically, one of these juniors, John "Yosh" Pazdzior, was chosen by the Toledo Blade as a member of its first honorary team. Malcolm King, who had been sidelined many of the games, was chosen as a member of the Blade second team. He led the city league in number of points scored for well over a third of the season.

Jim Burkett and Tom Hessler gave "bang up" performances at the guard positions. Both were particularly strong at defense while Jim took the offense to be a consistent scorer for the team. Big Harold Bradish, the pivot-man, was used to set up the shots under the basket. The team proved well-balanced with several capable replacements—Bob Atkins, Bob Koder, Jim Holliger, Jim Haggerty, Paul Russell, and Mel Nusbaum.

DeVilbiss opened its season against the Alumni, and then Whitmer. In both games they made impres-

sive wins. With confidence they met their first city league foe, Waite. The end of the fracas found the Tigers on top due to a third quarter scoring splurge by King, Pazdzior, and Bradish. DeVilbiss then took little time in letting Libbey know that it was the Tigers' game. In the out-of-town Christmas season game with Cleveland Shaker Heights, DeVilbiss overcame a thirteen point deficit at the half to win its sixth straight victory. Harold Bradish played a sparkling game sinking nineteen points.

The much anticipated Central game was played at the Toledo University Field House before a capacity crowd. Most everyone had the feeling that all was lost after the fifteen point Central lead at the half. But DeVilbiss returned at the third quarter with a barrage of points to again put us in the running. The Bengals completely outscrapped the Irish, tallying shots from all floor angles. At the close of the third period the Tigers were behind only two points. Then DeVilbiss dropped in two successive baskets to take the lead. Central cut the lead, then froze the ball as seconds ticked away. Then King stole the ball and scored to make a one point difference. Central stalled until the gun at which the score was in Central's favor by one point.

The Macomber game was delayed for five minutes near the finish over a controversy about the score. Guard Tom Hessler made sure of the victory with three quick points. The Ottawa Hills contest was a see-saw struggle to the finish. Jim Haggerty's side-court shot sealed the victory, 46-44. The reserves of DeVilbiss saw plenty of action as Coach Rettig emptied the bench in the Scott encounter.

DeVilbiss permitted Woodward a few shots in the first half, but in the third quarter the Polar Bears tied the score. During the final eight minutes, twenty fouls were called. DeVilbiss outscored Woodward on the foul shots to lead by a slim margin throughout the game.

Without our star forward, Malcolm King, who was sidelined with an injury, DeVilbiss looked lost in the shuffle with Waite. The Indians clearly were masters, winning 30-49.

A hotly contested game was staged in the Libbey gym as DeVilbiss downed the Cowboys by two points. Libbey was ahead at halftime, but dropped the lead soon after due to the consistent scoring of DeVilbiss' Pazdzior, who had been moved into the pivot position.

Central won its eighth City League victory over DeVilbiss with one of the highest scores in the history of City League play.

The Craftsmen of Macomber led DeVilbiss all the way until the fourth period when John Pazdzior started a drive which put us ahead. Macomber tied the score to put the game into overtime. After scoring, Macomber stalled to maintain a two-point win.

The Tigers built up a strong lead to humble Scott, 38-30. Then DeVilbiss traveled to Canton, Ohio, where they were defeated by strong Canton Timken. The final game of our City League competition ended as the Tigers beat Woodward, 42-39, to give us our eighth victory against four reversals in league play.

Using many of the reserves, the Tigers were upset in their sectional tournament hopes by losing to Libbey, 44-52. DeVilbiss was stymied by two removals, King and Burkett, before the third period close.

Next year's prospects for a successful season are bright. All-city team member, Pazdzior, will be back along with Burkett, Nusbaum, Russell and a strong group of lightweights.

## TADS TEAR TOWARD TROPHIES

The DeVilbiss track team, under the guiding direction of Norm Pollman, barely nosed out Libbey to take both the city and the district titles. This marked the ninth straight year without a defeat in city or district competition. The team made good showings at the

Miami University Relays and placed 15th in the state meet at Columbus.

In the Libbey meet, the Tigers ran into a powerful, well-balanced team which, at the time, left the field jubilant with victory. A few days later it was disclosed that a Libbey trackman had participated in four running events, one more than permitted, which thus ruled out the Libbey win, causing a tie, 59-59.

On May 2nd, a night that seemed more like March the 2nd, the seventh annual Night Relays was held. It was cold and windy, with prospects of rain, but the meet was held successfully with

a record crowd enjoying it. More than thirty-five schools from both Michigan and Ohio participated with an elimination contest in the afternoon and the finals that evening. Again many new records fell in both class A and class B schools. The winners of both classes in each event received trophies and medals furnished by the DeVilbiss Men's Club. A colorful part of the program was the presentation of these awards by the five relay queens—Joan and Donna Winterfeld, Diane Pawlowicz, Sally Crumley, and Marilyn Mersereau. These girls had been nominated by the track team and elected by the student body. DeVilbiss in sponsoring the annual Night Relay Meet has gained state-wide prestige.

In the Night Relay Meet the Tiger thin-clads won the class A title for the 4th straight year. At nearly 12:30 A.M. the meet ended before a small group of cheering students, a large group of chilled officials, and three shivering relay queens who watched Lakeside win the deciding pole vault event to give them the class B title by  $2\frac{1}{2}$  points. Libbey, favored at the outset of the meet, met a great deal of trouble in the relay events by dropping the baton four times to finish third, one-half point under Sandusky. Jim Maher, DeVilbiss trackster, tied the meet record in the 120 high hurdle event running a time of fifteen seconds even.

These boys and others contributed to make our team a fine one with a fine record.

In the opening game against Central the Kittens performed well but couldn't get enough points to win. It ended up four points in favor of Central. The following game went our way as the Kittens out-scored and out-played Scott, 13-7. Then DeVilbiss lost a heartbreaker to the out-of-town Montpelier club in what looked like a highly exciting tie game. But in the last few seconds Montpelier finally drove a lone touchdown over the goal. The Kittens dropped the next two games to Woodward and Libbey. The final game of the season was played in our stadium against a hefty Waite team. DeVilbiss scored in the first half, stopped all the Waite threats, and at the final gun emerged the victor, 6-0.

As future material, the Lightweights learned many of the necessary fundamentals while playing their six-contest season. Although the players showed individual ability, it was the team's working as one big unit which proved their skill.

## CAGEY KITTENS CAPTURE THIRD

The DeVilbiss Lightweights made a fine showing for themselves. They placed third in the city league behind Woodward and Central, winning eleven of fifteen games. Considering this record we can expect a fine varsity team in the future. Candidates who may fill the varsity positions next year are Chuck Beavers, Herschel Ulrich, Bill DeYoung, Bob Agen, Pete Vaselo.

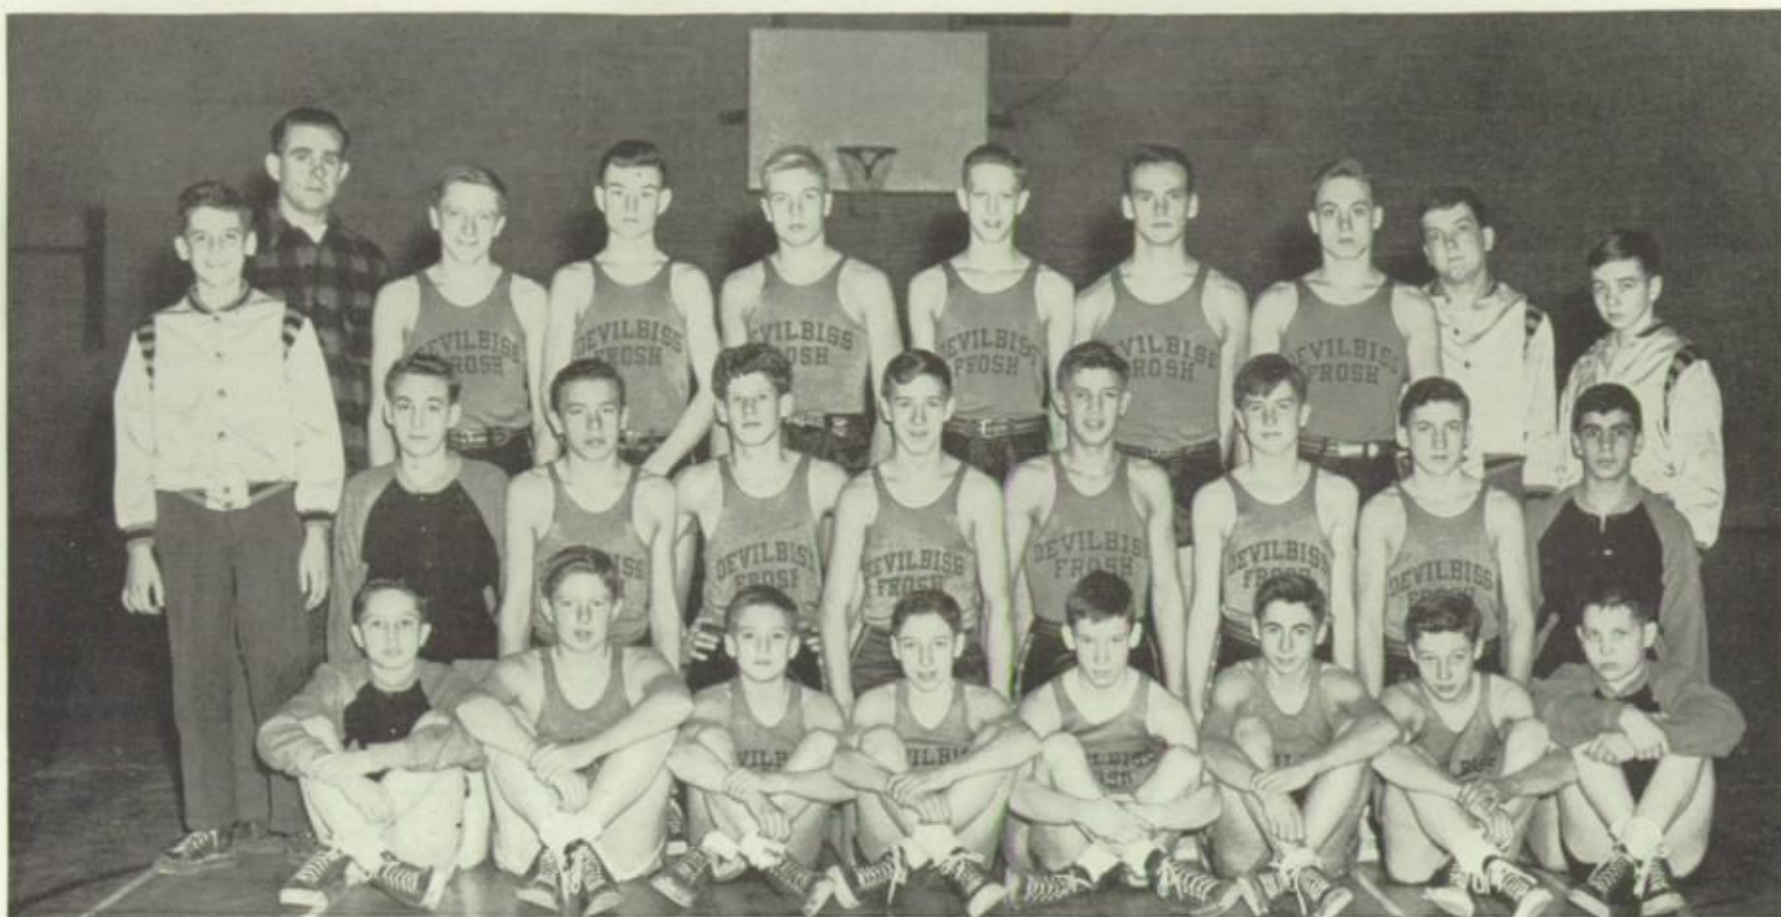

The Lightweights paved the way for an exciting varsity game at the field-house by beating the Central Lightweights by ten points. Probably one of the most thrilling of their games was the Ottawa Hills' preliminary. Seesawing back and forth, the score wasn't decided until the final gun, when the one point lead proved sufficient for victory.

## MINER ATHLETICS BEGIN THEIR CLIMB

The Freshman teams, strive not for fame, but to be better in their sport than they were prior to that time. The football team under the capable leadership of Mr. Hardy, and the basketball team under Mr. Kies, attempt to learn the skills and team work needed to play on the lightweights the next year, and varsity in their junior and senior years. In the

freshman-sophomore football game the freshmen had very high hopes of upsetting the lightweights. When the game ended the lightweights had won a very close and hard fought victory. Both teams showed that they will provide good material for the next couple of years to lift our prestige in the field of sports.

The DeVilbiss Wrestling Team, the only high school wrestling team in the city, completed a most successful season. The wrestlers, expertly coached by Fred Breed, won four of their seven meets. At Findlay College, DeVilbiss entered nine boys, won all nine matches, and captured the Northwestern-Ohio wrestling championship. Jack Gallon was awarded a trophy as the

outstanding wrestler of Northwestern Ohio. The schedule this year included the strong teams of Cranbrook, Ann Arbor, and Euclid Shore of Cleveland. Next year most of the team will be back to compete in an even tougher schedule.

## PLAYERS PREFER DIAMOND TO GOLD

The DeVilbiss baseball team of 1948 completed another fine season, winning seven and losing two games. The two losses were both to Libbey. The Tigers opened the season against Perrysburg who succumbed easily, 14-2. In the first league game, DeVilbiss downed Woodward, 7-0, by the superb pitching of Harry Radebaugh who struck out twelve batters and hurled a scoreless no-hitter. Again, in the last game of the season against Scott, Radebaugh allowed only one hit which scored Scott's only run. DeVilbiss rolled over Macomber and Waterville due to the consistent and timely hitting of Dave Harrison, Carl Dickey, and Jocko Gordon. In the city tournament, DeVilbiss won over Macomber, only to fall to Libbey the next day.

Water on first!

The well-balanced team, coached by Norm Kies and assisted by Pete Penkoff, finished second in the City High School League. The team's captain, Dave Harrison, chosen by the players, served ably behind the plate. The impenetrable infield composed of Dick Gordon, Brunny Messinger, Jack Breese, and Don Rahrig, was backed up by the outfield made up of Fritz Lauffer, Carl Dickey, and Bill Heidtman. Most of the players will be back in the lineup for this year's team with the vacancies filled by capable replacements.

## CLUBS AND RACKETS STRIKE PAY DIRT

The DeVilbiss Tennis Team won all its six city-league matches and beat six twice-played out-of-town teams—Adrian, Monroe, and Fremont.

Coached by Al Riedmayer, the team easily won the city league championship and captured the first place in the district meet at Bowling Green. Dick Schumm and Bill Dicke won the doubles events while Hiatt Ward won the district singles event.

DeVilbiss' strong golf team, coached by Don Sharpe, won all of its matches to take both the city and district championships. Dick Shambaugh shot a low 66 in the Scott meet at Ottawa Park to get a five under par score which ties Russ Milne's 66 score of last year. The team was composed of Russ Milne, Dale Buettner, Dick Shambaugh, Bob Zweigle, Jim Lawless, Dick Peterson, and Larry Leininger.

## "49ers" FLOURISH UNDER FINE DIRECTION

The fall season begins with a bang—banged up shins, banged ankles and banged toes, that is. The greatest problem of early autumn is to check that vacation golf swing as the cry "sticks" rings in our ears. As the breezes get colder, mittens, jackets, and jeans become the vogue. The fifty-tooters strive to develop the much needed skill required in field ball in preparation for their battle of the hockey sticks in years to come. Basketball is the winter sport that draws most of the girls' interest, and it brings the greatest number of girls out for after-school playing too. The outstanding team this year was composed of juniors; this shows that the seniors don't always come out on top. With the spring comes a variety of sports with volley ball and baseball heading the list. Although the batting average of the girls may not be so commendable, vigorous playing is displayed on the diamond, for it takes as much energy to miss the ball as it does to send it flying. Outdoor gym classes on the warm spring days are enjoyed immensely and an hour in the sunshine does much to make those last few days before the final exams more bearable.

If you are a lucky senior you have just twice as many sports to choose from. We have three classes in swimming. Tuesdays find the beginners, those girls that never have had the opportunity to learn how to swim before, at the YWCA, and

in the evening the girls who want to learn life-saving try their hand. Thursday is the day for the intermediate girls, those who have had some training but wish to brush up on their strokes or to learn the correct diving procedure.

"My first strike!" No this isn't baseball again but what might be said at the Colony Bowling Alleys any Wednesday afternoon between three-thirty and five. Here the young stars of tomorrow learn how to handle the alley and the ball and how to conduct themselves in this kind of recreation. Another opportunity for the girls to participate in something apart from the usual line is to take horseback riding. This is a sport that requires endurance, both on the rider's and the horse's part. In the classes which are given at the Howard Lambertville Stables, Lambertville, Michigan, under the excellent instruction of Charles Howard, Tadites learn the fundamentals of this skill. While warm weather is still with us in the fall, the girls haul (and I do mean HAUL) out the targets and try their hand at archery. When cold weather arrives they move inside and badminton is the sport in demand.

Our cheerful gym teachers aid in the job of refining the girls, who might be compared with the unrefined gold as it comes into the refinery and leaves as a bright, shiny, polished metal. Here in the girls' gym as in the refinery, the impurities are removed and the best qualities are brought out to their full beauty—in our case these qualities being grace, poise, self-control, and good sportsman-

ship. These are brought out by means of objectives that the Girls' Physical Education Department has set up throughout the years. The main objectives are: to teach the body as well as the mind to be healthy, to assist the girl in acquiring the ability to "get along" with her companions, to put more emphasis on the fun of the games and the pleasure of dancing, to develop the spirit of fair play not only in games but also in everyday living, and to mold the girls into the democratic way of life.

Miss Entemann has carried a great load on her capable shoulders for not only does she have her regular classes to supervise but she also has the responsibility of the senior elective sports this year. A friend to all who know her, she is held in high regard by all the girls. Well-known to all of us for her smiling face, Mrs. Terhell in spite of her diminutive stature has long been a source of ceaseless energy in her position of adviser to the Leaders Club. Along with the responsibility of her classes she has found time to be one of the advisers to the Girls' Athletic Society. And last but certainly not least we come to our lively little newcomer this year Mrs. (yes she's married) Raby who has really stepped into things in grand style. This little gal has helped a great deal in relieving the burden of the Girl's Athletic Society from Mrs. Terhell's shoulders. Teachers and students alike agree that Mrs. Raby is a great asset to our teaching staff here at DeVilbiss.

## LEADERS DEVELOP GOLDEN ATHLETIC SKILLS

For the girls who are interested in sports as more than a required subject and who wish to develop more skill in their games, DeVilbiss has an organization called the Girls' Athletic Society, better known as G.A.S. Connected with this group we find the Leaders Club. These leaders act as referees, scorekeepers, and general all around assistants to the gym teachers in their regular classes. G.A.S. under the fine leadership of her officers—Diane Pawlowicz, president; Joan Vannorsdall, vice president; Kathleen Casey, secretary; and Joyce Ehret, treasurer—has planned many social functions. Of all our monthly parties, "Pop's Night" when the gals entertain their dads with games and fun, is the favorite. Some of our other parties have been: a mystery party, a square dance, and

"Mom's Night" which is patterned after "Pop's." However, not all G.A.S. activities are social. In February we gave a Valentine party for the Lutheran Orphans Home. The members entered whole heartedly into the affair and a good time was enjoyed by all. The year is climaxed with our annual June Banquet, an always momentous occasion since it is the last time the girls get together until the next fall.

G.A.S. also provides the opportunity for the girls to receive their school letter. Attendance and service rendered are the basis for the points.

All girls who are G.A.S. members not only have a good time but they become better citizens through their practice of good sportsmanship.

It is given to only a few to use their life span to benefit all generations to come after them. Such was the gift of Thomas Alva Edison, pioneer in applying electricity to better the lot of mankind.

Only a holder of the original Edison License may use the name "Edison" as a part of its corporate title. It is the mark of a pioneer. The Toledo Edison Company, a business-managed, tax-paying, self-supporting electric power company, is proud to be honored.

## GLASS—SERVANT OF MANKIND

Glass today retains all of its older uses, its unique virtues unmatched by any other material. It furnishes strong, lightweight containers—now so low in cost that they are considered "throw-away" items. Its exclusive beauty in stemware and tableware still contribute to gracious dining. Medicine and other laboratory sciences continue to be completely dependent upon glass.

But today, great industries are finding glass equally essential. Precision-made television bulbs are now mass-produced to meet growing demand. Structural glass blocks and lightweight insulation have made possible new concepts in building. Glass is revolutionizing the textile world in the form of new fireproof draperies and other fabrics.

In tens of thousands of ways, glass is making life easier and better for everyone. And, fortunately, glass is plentiful. The materials from which glass is produced are literally inexhaustible. Modern methods have made it economical to manufacture in all its countless forms.

All this is an achievement of American inventive genius, American scientific research and engineering "know-how," American mass production techniques.

Owens-Illinois Glass Company is proud of the role it has played in this achievement . . . an achievement which has transformed an ancient art into a modern science serving all mankind in a myriad of ways.

Mary had a lovely calf—  
She showed it very well;  
There were women on the jury—  
Now our Mary's in a cell.

Actress: "I'll endorse your cigarettes for no less than  
\$50,000."

Cigarette Magnate: "I'll see you inhale first."

I see no evil; I speak no evil;  
I hear no evil; Boy—am I a sissy!

The guys who think our jokes are rough  
Would quickly change their views  
If they'd compare the ones we print  
With those we're scared to use!

## THE POT O' GOLD IS THE GOLDEN CLASP WHICH BINDS TOGETHER THE VOLUME OF THE YEAR

With this sentiment—that the POT O' GOLD furnishes a last, golden touch upon the volume of the year—the editors of the 1949 publication would like to close the school year. On this page let us cast a fond glance backward upon the golden memories of our high school career, and think of it as a prelude to more and greater things in the future. That these treasures of the school year might be set down in a book,

these people gave their time and effort, and are here gratefully acknowledged: Mr. Dean Sage of Blade Printing, Mr. Lawrence Smith of Graphic Arts, Mr. Ralph Benz of Molloy Cover Company, the Photo-Reflex Studio of the Lasalle and Koch Company, Mr. Irving Pross for faculty pictures, the DeVilbiss faculty for its cooperation, and the 1949 POT O' GOLD staff and its advisers.
